

Outer shadow

A white rectangular box with a soft, grey outer shadow cast to the right and slightly downwards, creating a 3D effect against the white background.

Inset shadow

A white rectangular box with a soft, grey shadow cast inward from the top and left edges, making the box appear to have depth and sit slightly below the surface.

Spread only (no blur)

A white rectangular box with a sharp, dark blue border. The interior of the box is white, and there is no visible shadow or blur effect.
